Congratulations on Your Admission to San Francisco State University (SF State)!

10 STEPS TO ENROLL FOR FALL 2019

Plan to Arrive San Francisco by August 19, 2019.
See New International Student information at http://oip.sfsu.edu/f1newstudents

STEP 1: CREATE YOUR SF STATE PASSWORD

To access all services at SF State, you must know your SF State ID number and password. Your SF State ID number is a 9-digit number which was assigned to you after you submitted your application for admission. Notification of your SF State ID was sent to you by email and is on your Notice of Admission. If you have not created your SF State password, go to SF State Password Reset at https://webapps.sfsu.edu/auth/passwordreset.

You should always indicate your full name and SF State student ID number when you contact any offices at SF State.

STEP 2: ACCEPT ADMISSION OFFER (AAO)

If you plan to attend SF State in Fall 2019, you can complete your online Accept Admission Offer (AAO) in your online SF State Student Center anytime between now and May 1, 2019. To access your Student Center, go to SF State Gateway at https://gateway.sfsu.edu/. If you are admitted after May 1, 2019, you will have two weeks to AAO from the date of your admission notice. As an international student entering in F-1 Visa status, you are not required to pay the $100 non-refundable enrollment confirmation deposit. Please continue by clicking on the “Confirm Accept” button to complete the process.

STEP 3: ACCESS YOUR SF STATE EMAIL ACCOUNT

After AAO, you will be automatically assigned an SF State email account. The University communicates to you via SF State email only. You will receive critical information regarding class registration for the upcoming semester and other important information through your SF State email account. Make sure you check your SF State email account frequently. Your SF State email may be forwarded to your existing private email account. To set it up, please see instructions at https://its.sfsu.edu/guides/student-email.

Once you have access to your SF State email account, you should start communicating with any offices at SF State from your SF State email account.

STEP 4: COMPLETE WRITE TO REGISTER AND MATH PLACEMENT - UNDERGRADUATE STUDENTS ONLY

*English Placement – Write to Register*

SF State requires all undergraduate students to fulfill oral communication and written English requirements in order to graduate. You are required to complete the online Write to Register (WTR) in order to know which English class you should enroll in for your first semester at SF State.

We suggest you to complete WTR as soon as you can. The deadline to complete WTR is 2 days before the New Student Orientation. For example, if you have registered for the New Student Orientation on August 22, you must complete WTR by August 19. Print out the English course recommendation after completing WTR and bring it with you to the New Student Orientation.

Based on your performance in the WTR, you might be recommended to take English courses offered by the Composition for Multilingual Students (CMS) Program. The CMS program is a University-wide undergraduate program
through which non-native English speakers can fulfill undergraduate oral communication and written English graduation requirements.

SF State requires all undergraduate students to fulfill Quantitative Reasoning (Math) requirements in order to graduate. Information for how to determine which Math class to enroll in for your first semester is coming soon. Meanwhile you can contact the Developmental Studies Office at develops@sfsu.edu if you have questions about SF State's math requirement.

STEP 5: SUBMIT MEASLES, MUMPS, RUBELLA (MMR) AND HEPATITIS B IMMUNIZATIONS RECORD

California State law requires that all university students must be immunized against Measles, Mumps, and Rubella (MMR). Students who are 18 years of age or younger are also required to be immunized against Hepatitis B.

You must submit proof of the above immunization to SF State Registrar’s Office. Registrar’s Office will accept your own immunization in English, or your record attached with an English translation. You can also submit the “Immunization Form” signed by your medical doctor. You can download this form at http://health.sfsu.edu/sites/default/files/Immunization_Requirements_Form_2016_v011.docx.

Submit the immunization record by the following methods:

1. **By mail:** Mail a photocopy of your own immunization record to Registrar's Office (SSB 303), San Francisco State University, 1600 Holloway Avenue, San Francisco, CA 94132.
2. **By fax:** Fax your immunization record to +1-415-338-0588.
3. **In person:** Bring immunization record to Registrar’s counter located at One Stop, Student Services Building (SSB), first floor.

Write your 9-digit SF State student ID on your immunization record. DO NOT EMAIL the immunization record to SF State.

An “MMR immunization hold” will be placed on your Student Center if you fail to submit the immunization record to the Registrar’s Office during your first semester at SF State. This hold will prevent you from registering for future classes.

STEP 6: CLEAR INTERNATIONAL HEALTH INSURANCE HOLD

Having insurance while studying in the U.S. can avoid the financial challenges of unexpected medical expenses, and to ensure that you have access to immediate and proper medical care when you need it. The Board of Trustees of the California State University (CSU) requires all F-1 international students to have health insurance as a condition of registration and continued enrollment in the California State University system.

At SF State, F-1 International students are required to satisfy the mandatory insurance requirement through purchase of the SF State sponsored insurance. We recommend you to purchase insurance online before arriving the U.S. Insurance coverage for new students starts as early as August 1. See “Mandatory Health Insurance Requirements” and purchase health insurance at http://oip.sfsu.edu/f1insurance.

STEP 7: REGISTER FOR CLASSES

There are 3 ways for you to register for classes:

1. If you are currently attending a California community college in the U.S., you can attend the New Student Orientation in June.
2. If you are coming from outside the U.S, attend the New Student Orientation in August.
3. Register by yourself during the “Enrollment Appointment” period showing on your online Student Center.

You are required to register for full-time (at least 12 units for undergraduate and 8 units for graduate). Also, only 3 units of the online classes can be used to satisfy the full-time requirement. See “Online Courses v.s. Hybrid Courses” at http://oip.sfsu.edu/f1/online. Before you can register for classes, you must first complete your AAO and clear all your registration holds. You will register for classes in your online Student Center where you will see registration holds, registration date & time, and the university class schedule.

**STEP 8: ATTEND ALL ORIENTATIONS, CHECK-IN, AND WELCOME EVENTS**

SF State holds several different orientations and sessions hosted by different offices and academic departments at SF State. See http://oip.sfsu.edu/f1newstudents for dates.

1. **F-1 Mandatory Online Workshop**
2. **International Graduate Orientation and Document Check-In**
3. **F-1 Document Check-In and Welcome Party and Information Fair** hosted by Office of International Programs.
4. **New Student Orientation (Undergraduate International Students)**

**STEP 9: SUBMIT FINAL TRANSCRIPTS**

Submit all official transcripts to the International Undergraduate Admission or Graduate Studies:

1. **Undergraduate freshmen students**: You must graduate from high school and meet all admission requirements. Your final official high school transcript must arrive in Undergraduate International Admissions as soon as possible.
2. **Undergraduate transfer students**: Your admission depends on the completion of lower-division admission requirements. Your final official transcripts must arrive in Undergraduate International Admissions as soon as possible.
3. **Graduate students**: Your final official transcripts must arrive in Graduate Studies as soon as possible.

For questions, please contact International Undergraduate Admissions at ugiintl@sfsu.edu (phone:+1-415-338-2382) or Graduate Studies at intlgrad@sfsu.edu (phone: +1-415-405-4005)

**STEP 10: PAY YOUR TUITION BY THE FIRST DAY OF THE SEMESTER**

You must pay tuition in full by the first day of the semester. Make sure you have access to your money before the first day of the semester. See “Estimated Student Expenses and Tuition” section at http://oip.sfsu.edu/f1newstudents for more detail information. For information regarding payment methods, see: http://bursar.sfsu.edu/.

F-1 International students are required to maintain full-time study during the Spring and Fall semester. The definition of full-time is **12 units for undergraduate students**, and **8 units for graduate students**.

TYPES OF SF STATE I-20
“Initial Attendance” I-20: If you are attending school in the U.S. for the first time, you will receive an “Initial Attendance” I-20. You will need to apply for an F-1 student visa at the U.S. embassy/consulate in your home country before entering the U.S. in F-1 student status. Read the “Apply for F-1 Visa” section at http://oip.sfsu.edu/f1newstudents.

“Transfer Pending” I-20: If you are currently in the U.S. and are in valid F-1 status, you should request your current school to release your SEVIS record to SF State. Keep in mind that you are only considered a “transfer student” for immigration purposes if no more than 5 months have passed from your last date of attendance OR your last day of OPT (whichever is later). Read the “I-20 Transfer Procedures” section at http://oip.sfsu.edu/f1newstudents.

“Change of Status” I-20: If you are currently in the U.S. on another type of visa, please speak with an F-1 International Student Advisor at OIP. The advisor will discuss your situation as well as explore the options that may be available to you to adjust your status to an F-1 student. Read the “Change Status to F-1” section at http://oip.sfsu.edu/f1newstudents.

ATTENTION: Current U.S. Immigration Service regulations DO NOT allow B-2 visitor/tourist status to enroll in classes until the U.S. Immigration Service has approved of your request to change to F-1 student status.
